AFFIDAVIT FOR NON-BONA FIDE PURCHASER OF LOTS

Property Owner/Name on Deed: _____

Name of Affiant: _____ *Relationship to Owner: _____

I, _____, do hereby state that on _____ (date), the above listed owner did purchase a lot(s) in a platted addition or subdivision with the following legal description:

Lot _____ Block _____ of _____ City _____
(platted addition/subdivision)

Acct. / Parcel Number #: _____ County _____

A separate affidavit must be filed for each platted addition or subdivision. If there is more than one lot to be covered by this affidavit, please attach a listing of the properties with the date purchased and legal description of each lot, making a note "see attached list" on the "platted addition/subdivision" blank above.

I further state that the above listed owner is not a *bona fide purchaser* as defined in Title 68 O.S. §2817(F) because the lot(s) was purchased for the purposes of constructing and selling a building on said lot(s). However, I understand that if the lot(s) is held for a period longer than two (2) years before construction, then the assessor will consider the lot(s) to have been conveyed to a *bona fide purchaser*.

Under penalty of perjury, I, the undersigned affiant, do affirm that the statements I have made herein are true and correct.

**If the affiant is an agent of the property owner, please indicate that on the Relationship line above. An agent authorization document must be attached to this affidavit.*
