Instructions for Form 538-H

Part 2

For this form "Gross Household Income" means the amount of income of every type, regardless of the source (except for gifts) received by ALL persons living in the same household, whether the income was taxable or not for income tax purposes. This includes, but is not limited to, pensions, annuities, social security, unemployment payments, veterans disability compensation, school grants or scholarships, public assistance payments, alimony, support money, workers' compensation, loss-of-time insurance payments, capital gains, and self-employment. If self-employed, enter the gross income from business, and provide a copy of your Federal return, including all schedules and any other type of income received. (Lines 1 through 13.)

Part 3

Any person 65 years of age or older or any totally disabled person who is the head of household, a resident of and domiciled in this state during the entire preceding calendar year and whose gross household income for such year does not exceed \$12,000 may file a claim for property tax relief on the amount of property taxes paid on the household occupied by such person during the preceding calendar year. Each head of household shall be allowed to file only one claim per year.

The amount of any claim filed shall be for the amount of the property taxes paid by the claimant for the preceding calendar year that exceeds 1% of the total household income, but no claim for property tax relief shall exceed \$200.

All claims for relief with respect to property taxes shall be received by the Oklahoma Tax Commission (OTC) on or before **June 30th** each year for property taxes paid for the preceding calendar year. If the due date falls on a weekend or legal holiday when the OTC offices are closed, your return is due the next business day. Your return must be postmarked by the due date to be considered timely filed. An amended return cannot be filed to claim this credit after the due date; the claim must be filed on or before the due date.

Claims for property tax relief shall be allowed as a direct tax credit on the taxpayer's individual income tax return filed for the calendar year involved. In all cases where claimants have no income tax liability, such claim, or any balance thereof, shall be paid out in the same manner and out of the same fund as refunds of income taxes.
